Professional Experience

tasc Performance

Lead Visual Designer

New Orleans, LA | September 2022-Present

Works as Lead Visual Designer, overseeing the brand direction and ensuring consistency across the omni-channel marketing for the growing sustainable clothing company. Promoted to Lead Visual Designer after one year, for consistently showing initiative, maintaining professionalism in stressful situations, and setting the standard for teamwork and collaboration across the tight-knit Marketing Team.

Core Home

Designer 1

New York, NY | December 2020-August 2022

Works as across stock, seasonal, and HBA teams as a junior designer. Designs across the multitude of in-house brands to turn out packaging and product graphics on tight deadlines. Communicates with overseas manufacturers to ensure printing and production runs smoothly.

Sam Salem & Son

Packaging Junior Designer

New York, NY | December 2019-December 2020

Worked as a part of a small, collaborative in-house package and textile design team to create and maintain visual assets through all stages of production for the soft home goods-driven company. Developed design ranging from branding, logo design, packaging to textile and pattern design.

Dayglo Ventures Media Group

Intern

New York, NY | Fall 2019

Worked as a design intern for the parent company Dayglo Ventures and its subsidiaries including Relix Magazine, the Brooklyn Bowls, and the Rock and Roll Playhouse. Worked across mostly digital media to produce and maintain social media and web content for the various brands, daily oscillating between multiple brand identities and their many needs.
